The location of the first "King Cobra" is the 40 hectare sized MAXX-Hotel-resort in Belek on the Mediterranean coast, around 45 kilometres from Antalya. The establishment's own water park is 10,000 m² in size and contains 10 different slides

that all stem from the Polin firm, which was founded in 1976. A second "King Cobra" was opened in the Russian Djubga water park on the 11th of June, and will be followed by five other constructions of the same type for 2012. ■
