SPRAY ACTION

SPRAY ACTION

An aerial photograph of a vibrant water park. The scene is dominated by a large, multi-level play structure with slides in shades of blue, yellow, and red. A large splash of water is captured mid-air in the center, creating a white mist. To the left, a blue and white slide winds down into a pool. In the foreground, a red and yellow structure with a red umbrella-like top is visible. The background is filled with lush green trees and a clear blue sky. The word "REFERENCES" is overlaid in large, white, bold letters in the center-right of the image.
